

Streaming for Professionals

# WE ARE HIRING

You understand the significance of the medium video?  
You are fascinated by AI-based methods to uncover what's actually in a video? You want to drive innovation and create something never seen before?

So do we! At Streamdiver, we aim to revolutionize the way people engage with content. To open the black box "Video", we are looking for innovative thinkers who know the market and want to pave a new path for streaming. Our headquarters are in Klagenfurt am Wörthersee and for our award-winning product we are looking for a:

## Product Owner – AI-powered Video Streaming (f/m/d)
